## WISCONSIN'S WINTER INSTITUTE & TRADE SHOW

### *MISSION STATEMENT*

*The Wisconsin Maple Syrup Producer's Association, Inc is dedicated to improving the ability of its members to produce and market the finest maple syrup in North America.*

Once again, we will be having our Maple Auction to help raise some funds for our association and maple research. **New this year, we will be having a silent auction.** Please give some thought to helping us promote our great Wisconsin commodity, Maple Syrup. We are asking for donation from each vendor to participate in this worthwhile auction.

We are again asking for some help with the costs of the snacks and treats like morning registration doughnuts and coffee, mid-morning snack, afternoon snack and desert for lunch, if you have interest please contact Theresa. If interested in doing this, your name/business will be duly noted as the sponsor.

Thank you very much, in advance, for your generous participation! Without all of you and your participation, this would not be the Winter Institute that our maple producing friends and neighbors are able to attend in Wisconsin each January.

Theresa Baroun, Executive Director
