Last year, we had a break after lunch. This year we will be having an afternoon break on Saturday from 2:55 – 3:30 p.m. instead.

We will be setting up on a first come basis. If you have a preference of who you would like or not like to be near, please designate it on this form.

Once again, we will be having our Maple Auction to help raise some funds for our association and maple research. **We will be having a silent auction again this year.** Please give some thought to helping us promote our great Wisconsin commodity, Maple Syrup. We are asking for donation from each vendor to participate in this worthwhile auction.

We are again asking for some help with the costs of the snacks and treats like morning registration doughnuts and coffee, afternoon snack and desert for lunch, if you have interest please contact Theresa. If interested in doing this, your name/business will be duly noted as the sponsor.

Thank you very much, in advance, for your generous participation! Without all of you and your participation, this would not be the Winter Institute that our maple producing friends and neighbors are able to attend in Wisconsin each January.
